

# Create UI To Interact With Application

## About Page

## Login Page

## Registration Page

The registration form is titled "REGISTRATION FORM" and is set against a light blue background. It features a central column of labels for various fields, with corresponding input boxes to the right. The fields include: Full Name, Mobile Number, Email ID, Age, Blood Group (with a dropdown arrow), Create Password, Gender (with radio buttons for Male and Female), Address (with a placeholder "Enter your address"), City, Pin Code, State, and Country (with a dropdown showing "India"). Below the Country field is a checkbox for "I agree the terms and conditions". At the bottom center are "Submit" and "Reset" buttons. The form is framed by two hands holding red hearts, one on the left and one on the right, connected by a thin, wavy line. A "Show details" link is located in the bottom right corner.
